

## Have A Nice Day

Hey

Who said the past is finished  
Who said the future is before me  
Who is gonna show me a way  
When time stops and time is never ending  
I said the past is finished  
I said the future is before you  
I'm gonna show you a way  
When time stops and time is never ending  
Nobody said the past is finished  
Nobody said the future is before you  
Nobody gonna show you a way  
When time stops and time is never ending  
Have a nice day
