

Mister Asylum

Highly Suspect

My heart is pounding
I don't want to be in my skin
Everybody, everybody's trying to get in
Again

I feel like I'm ready to blow
When you're up against the world, it shows
Baby, I know
Hey, Mister Asylum
Won't you let me in
Oh, Mister Asylum
I'm dying to get in
To get in

The truth is that I can't breathe
And I can't feel and I can't move
But I can see there, so where am I now
Is this hell, I can't tell
It's getting hotter and I'm starting to think
That maybe that there is no God
At least not one I can pray to
To come down here and save me
And I'm losing my shit
Something is broken

I feel like I'm ready to blow
When you're up against the world, it shows
Baby, I know
Hey, Mister Asylum
Won't you let me in
Oh, Mister Asylum
I'm dying to get in
To get in

Well I'm out here drowning and surrounded by an ocean of emotion
And this can't be real
Cause this feeling I'm feeling got me reeling
I'm dying again so where did she go
Oh, she left me such a long time, such a long time ago, yeah
And I'm losing my shit
Baby, I'm broken

I need her now more than ever before
Cause I've started a battle that's turned into a war
I won't swallow your pills
Yeah, I'll spit 'em back out
She's my resuscitation
My love in her mouth
So where do we go

I feel like you're ready to blow
When you're up against the world, it shows
Baby, I know
Hey, Mister Asylum
Won't you let me in
Oh, Mister Asylum
I'm dying to get in

Mister Asylum
Won't you let me in
Oh, Mister Asylum
I'm dying to get in
