

Snow White

Highly Suspect

Mirror, mirror, mirror on the wall
I don't like anything that I see at all
The harder I stare, the harder I fall
Mirror, mirror, mirror on the wall

Why did you wait so long?
To admit that something is wrong
But you knew all along
That you're turning into something that you hate
On God, I swear that I can be strong
I'll kick as soon as it's gone
'Cause I don't wanna be something I hate

Mirror, mirror, mirror up in the sky
I'm upside down watching myself fly
I feel a little better
'Cause I'm super high
Mirror, mirror, please, just let me die

Why did you wait so long?
To admit that something is wrong
When you knew all along
That you're turning me into something that you hate
On God, 'cause I swear that I can be strong
I'll kick as soon as it's gone
'Cause I don't wanna be something I hate

I feel like a Snow White
Everybody's watching over me
This white light (White light) is too bright (Too bright)
Because it helps me sleep (Helps me sleep)
So if I die (I die), please don't cry
'Cause I (I), I'll find my way
I'll find my way

Mirror, mirror on the wall
I don't look at anything to see at all
The harder I stare the harder I fall
Mirror, mirror on the wall
Mirror on the wall
I don't look at anything to see at all
The harder I stare the harder I fall
Mirror, mirror on the wall
On God, I swear that I can be strong
I'll kick as soon as it's gone
'Cause I don't wanna be something I hate
Wake up
