

Let Go

Hillsong Young & Free

I close my eyes and colours fly
There's no hiding from Your grace
I can't deny Your heart for mine
And its unrelenting chase
I was on the edge of deception
Caught up in my own hesitation
Until Your love took over me

So I let go and I let love
Show me life like it's supposed to be
An oasis here awaits us
All the freedom I'll ever need
Now I'm alive
Oh-la-la, oh-la-la
When I let go then I found life
Oh-la-la, oh-la-la
When I let go then I found life

When I let go then I found life

The higher way is calling me
To a life unlike before
The Father's heart is beckoning
And I can't resist no more
Lead me in the ways of devotion
I don't want to get caught in the motions
My heart is only for You, Lord

So I let go and I let love
Show me life like it's supposed to be
An oasis here awaits us
All the freedom I'll ever need
Now I'm alive
Oh-la-la, oh-la-la
When I let go then I found life
Oh-la-la, oh-la-la
When I let go then I found life

When I let go then I found life

So I let go and I let love
Show me life like it's supposed to be
An oasis here awaits us
All the freedom I'll ever need
Now I'm alive
When I let go then I found life
When I let go then I found life
When I let go then I found life

When I let go then I found life
When I let go then I found life
When I let go then I found life
