

Love Goes On

Hillsong Young & Free

We found love that never runs dry
From the depths
To the sky
Eyes fixed on the One who knows no end

You stand strong for all of time
In the joy
In the trial
You are the Beginning and the End

Your love goes on
Your love goes on

Ever our heart will seek
Jesus in everything
From sky to ocean deep
Your love goes on

Through every rise and fall
We are forever Yours
One thing we know is sure
Your love goes on and on and on

From dawn break into the night
You're here with us
You're on our side
Your arms are forever open wide

You stand strong for all of time
In the joy
In the trial
You are the Beginning and the End

Your love goes on
Your love goes on

Ever our heart will seek
Jesus in everything
From sky to ocean deep
Your love goes on

Through every rise and fall
We are forever Yours
One thing we know is sure
Your love goes on and on and on

Love unfailing
Never shaken
Hope awakens in You
[x4]

Ever our heart will seek
Jesus in everything
From sky to ocean deep
Your love goes on

Through every rise and fall

We are forever Yours
One thing we know is sure
Your love goes on and on and on

Ever our heart will seek
Jesus in everything
From sky to ocean deep
Your love goes on

Through every rise and fall
We are forever Yours
One thing we know is sure
Your love goes on and on and on
