We're so anxious to be together, together in death...

Would you die tonight for love? (baby, join me in death)
E C#m Asm
Would you die?(baby join me in death
E C#m Asm
Would you die tonight forlove? (baby join me in death)

E C#m Asm

This world is a cruel place and we're here only to lose
So before life tears us apart let death bless me with you...

Would you die tonight for love? (baby, join me in death)
Would you die? (baby join me in death)
Would you die tonight for love? (baby join me in death)
Would you die? (baby join me in death)
Join me in death

This life ain't worth living...
(Join me)

Would you die tonight for love? (baby, join me in death)
So would you die? (baby join me in death)
Would you die tonight for love? (baby join me in death)
You can join me in death...
