- Emi** **C** **Emi**
1. You can't escape the wrath of my heart
 C **G**
Beating to your funeral song
D
(you're so alone)
Emi **C** **Emi**
All faith is lost for hell regained
 C **G**
In the dust in the hands of shame
D
(Just be brave)
- C** **D** **G** **D** **Emi**
X: Let me breathe you this song of my heart before
 D **G** **D** **C**
I lead you along this path in the dark
D **G** **D** **G**
Where I belong until I feel your warmth
- Emi** **C** **G**
R: Hold me like you held on to life
 C **G** **D**
When all fears came alive and entombed me
Emi **C** **G**
Love me like you love the sun
C **G** **D** **Emi**
Scorching the blood in my vampire heart
2. I'll be the thorns on every rose
You've been sent by hope
(You'll grow cold)
I am the nightmare waking you up
From the dream of a dream of love
(Just like before)
- X: Let me weep you this poem as Heaven's gate's close
Paint you my soul, scared and alone
Waiting for your kiss to take me back home
- R: Hold me like... (2x)
- Emi**
*: Hold me
(Like you held on to life)
 C **G**
Like you held on to life
