

Horried

Hirax

Fast outbreak, panic and fear
Frightened and paralyzed
Extreme paranoia, what's the truth?
Delusion has taken hold
Cause for alarm, Confusion and terror
Desolation of lives has been unleashed
Aggravate and decimate, delusion has taken hold

Virus. Spreading. The world's horrified!!!
Epidemic, disease control,
Mutation, there's no vaccine
Infection contained, widespread panic!
The world is going to burn!
