Spartans trained to kill and defend
Warriors battle till the end
Their oath is to die for the crown
Swords of steel, cutting men to the ground
(Hail to the king)

Fierce war, thousands die, only the strong will survive Crush the weak and take the land! Annihilate! Crush the damned!

```
Kill, fight, kill, fight!!
Kill, fight, kill, fight!!
```

Fearless of death, their opponents fall and die Arrows and spears, descent from the sky Thousands of soldiers take to the killing fields Dressed in red with their fists, swords and shields

```
Kill, fight, kill, fight!!
