Hirax

Now changed with treason guilty
False accusations false lies
Condemned for life eternity
Retribution the payback the penalty

Iron fist breaks the backs of those who oppose the
queen's strong command
Tied to the Gallows
The punishment fits the crime of those who oppose
the queen's strong command
Tied to the Gallows Pole

Leaders of the revolution stand strong
Condemned for life and eternity
Retribution, the payback the penalty

Iron fist breaks the backs of those who oppose the
queen's strong command
Tied to the Gallows
The punishment fits the crime of those who oppose
the queen's strong command
Tied to the Gallows Pole
