

## Victims of the Dead

Hirax

The poor man will suffer, while the rich get rich  
The tempter of evil evokes his will  
Dividing the masses, teaching the weak to hate  
Blood for the cross, the inquisition begins

Release - the victims of the  
Release - the victims of the dead

Raining tears from angels, somewhere the devil  
grins  
Thunder and lightning shakes the Earth  
Demons and wizards, the black storm is here

Release - the victims of the  
Release - the victims of the dead

The unholy spirits, the blinding infinite light  
Loud deafening sounds of misery  
Savage lands of slavery, forced to pray to their god  
Crusaders reign of terror enslaved in chains

Release - the victims of the  
Release - the victims of the dead  
Release - the victims of the  
Release - the victims of the ... dead
