

One Girl Revolution

Hoku

I wear a disguise
I'm just your average Jane
The super doesn't stand for model
But that doesn't mean I'm plain
If all you see is how I look
You miss the superchick within
And I christen you Titanic
Underestimate and swim

I got the rifle gonna be myself (4x)

And I'll be everything
That I wanna be
I have confidence in its security
I am a voice yet waiting to be heard
I'll shoot the shot - bang
That you hear 'round the world

And I'm a one girl revolution (3x)

Some people see the revolution
But most only see the girl
I can lose my hard-earned freedom
If my fear defines my world
I declare my independence
From the critics and the stones
I can find my revolution
I can learn to stand alone

And I'll be everything
That I wanna be
I have confidence in its security
I am a voice yet waiting to be heard
I'll shoot the shot - bang
That you hear 'round the world

And I'm a one girl revolution (6x)

And I'll be everything
That I wanna be
I have confidence in its security
I am a voice yet waiting to be heard
I'll shoot the shot - bang
That you hear round the world
(Repeat x2)

And I'm a one girl revolution (x2 to fade)
