In High school she was the girl that  
Made me do the hula hoop around the gym  
(Used to get a pic again, she's a ten.)

Never thought that she would go and  
Work for the president, Mr. George Washington,  
(Where my money at! )  
She bawls and he calls

And I'ma tell you, like who told me,  
Cash rules everything, around me.  
Singin' dolla, dolla bill ya'll.  
Dolla, dolla bill ya'll, yeah.

And I'ma tell you, like who told me,  
Cash rules everything, around me.  
Singin' dolla, dolla bill ya'll.  
Dolla, dolla bill ya'll, yeah, oh, yeah.

I said I like big butts, and I cannot lie.  
Ooh you otha brotha's can't deny.  
That when a girl walks in with an itty bitty  
Waist, and a round thing in your face you get  
Sprung, you want to put on top because you  
Noticed that butt was stuffed. D-d-d-deep in them jeans  
She's wearin', oh I'm hooked and I can't stop starin'.

Oh baby, I wanna get with ya' and take  
Your picture. And my homeboy's tried to warn me,  
But that butt you got makes me so horny!

And I'ma tell you, like who told me,  
Cash rules everything, around me.  
Singin' dolla, dolla bill ya'll.  
Dolla, dolla bill ya'll, yeah.

And I'ma tell you, like who told me,  
Cash rules everything, around me.  
Singin' dolla, dolla bill ya'll.  
Dolla, dolla bill ya'll, yeah, oh, yeah, yeah.

I said now you crank that soulja boy,  
Watch me crank and watch me roll.  
Watch me crank that soulja boy,  
I'm gonna supa man that hoe.  
Watch me you, watch me you.  
Watch me you, you go and you supersoak that hoe.

And I'ma tell you, like who told me,  
Cash rules everything, around me.  
Singin' dolla, dolla bill ya'll.  
Dolla, dolla bill ya'll, yeah.

And I'ma tell you, like who told me,  
Cash rules everything, around me.  
Singin' dolla, dolla bill ya'll.  
Dolla, dolla bill ya'll...

Dolla dolla dolla dolla bill  
[Super man that hoe! ]  
Dolla, dolla bill ya'll.  
Dolla, dolla bill ya'll.

And I'ma tell you like who told me,  
Cash rules everything around me.  
Singin' dolla dolla bill ya'll.  
Dolla dolla bill ya'll yeah.
