

It's Alright With Me

Holly Cole

It's the wrong time and the wrong place
Though your face is charming it's the wrong face
It's not his face but it's such a charming face
Ooh, it's alright with me
It's the wrong song with the wrong style
Though your smile is lovely it's the wrong smile
It's not his smile but it's such a lovely smile
And ooh, that's alright with me
You can't know how happy I was that we met
I'm strangely attracted to you
There's someone I'm trying so hard to forget
Oh baby, don't you wanna forget somebody too?
It's the wrong game with the wrong chips
Though your lips are tempting they're the wrong lips
They're not his lips but they're such tempting lips
And ooh, that's alright with me
You can't know how happy I was that we met
I'm strangely attracted to you
There's someone I'm trying so hard to forget
Oh baby, don't you wanna forget somebody too?
It's the wrong name with the wrong chips
Though your lips are tempting they're the wrong lips
They're not his lips but they're such tempting lips
Here it's alright if it feels right maybe all night
Ooh, it's alright, it's quite alright with me
