

# Reaching For The Moon

Holly Cole

The moon and you appear to be  
So near and yet so far from me  
And here am I on a night in June  
Reaching for the moon and you

I wonder if we'll ever meet  
My song of love is incomplete  
I'm just the words looking for the tune  
Reaching for the moon and you

I wonder, will we ever meet?

My song of love it's incomplete  
I'm just the words looking for the tune  
Reaching for the moon and you

I wonder, will we ever meet?  
My song of love it's incomplete  
I'm just the words looking for the tune  
Reaching for the moon, the moon and you
