Do You Get High?

Holly McNarland

When I come up I want to see
Out of my hips all inside me
Should I hold on
Before it's almost over
Gave to me a famous cold shoulder
I jump for you table for two

Do you get high from his eyes? Morning my boy in my arms I turn to him to see you Do you get high?

You take it all just exhale in I kiss the mouth we made for him So happy sad I'm everything He shuts his eyes to hear me sing He's getting tired for the day When I come up I want to see
