

I Won't Stay

Holly McNarland

If I go home
And come back another day
Tell me I won't miss you much
Tell me I won't
And I won't stay
Tell me I won't miss you much
And I won't stay

And I saw danger
When I went to look the other way
Didn't think I'd miss you much
Didn't think I'd feel

But I got my cats and my carpets
And my fish in my brain
I got the walls around me
They never change
I got my cats and my carpets
And the walls around me
And the walls around me

Well, hello again
You're another hour late
You didn't think I'd notice
You didn't think, I know you never think
You didn't think I'd notice
Oh, you never think

If I go home and come back another day
Tell me I won't miss you much
Tell me
And I won't stay

But I got my cats and my carpets
And my fish in my brain
I got the walls around me
They never change
I got my cats and my carpets
And the walls around me
And the walls around me
And the walls around me
