

Come on Come On

Hollywood Ending

Oh I tried, to get you out my mind,
I can help but feel empty anymore.
Are we better off dead?
Take another breath.
It's just, just a bunch of lies.

And she cries "Don't you know I'm on to you?"
It doesn't matter anymore.
Realize just what you're supposed to do,
And fight that, bite back.

Come on, come on,
We're going under down.
Look on, it's so deceiving.
Get up, get up.
We're not getting younger now,
Just find hope to believe in.

(Ah ah ah ah, ah ah ah ah
Ah ah ah ah, ah ah ah ah)

Deep inside, tell me what you find,
They're building a wall around everyone.
Brick by brick, is it gonna get to high,
High to ever climb?

And she cries "Don't you know I'm on to you?"
It doesn't matter anymore.
Realize just what we're supposed to do,
And fight that, bite back.

Come on, come on,
We're going under down.
Look on, it's so deceiving.
Get up, get up.
We're not getting younger now,
Just find hope to believe in.

Can we make it out alive, together?
(Come on, come on,
We're going under now.)
Can't you tell that we're not getting better?

(Come on, come on,
Get up, get up.)

(Ah ah ah ah, ah ah ah ah
Ah ah ah ah, ah ah ah ah)

Come on, come on,
We're going under down.
Look on, it's so deceiving.
Get up, get up.
We're not getting younger now,
Just find hope to believe in.

Can we make it out alive, together?

(Come on, come on,
We're going under now.)
Can't you tell that we're not getting better?
(Come on, come on,
Get up, get up.)
(Ah ah ah ah, ah ah ah ah
Ah ah ah ah, ah ah ah ah)
