

Freak Like Me

Hollywood Ending

There's a new girl in my class
so look at us in there.
Messing with her hair
like she don't care.

She's a real rock chick
with the red lipstick.
And the lighters in her tights
with a crazy look in her eyes.

I'm just curious
cause she looks so damn mysterious.
And my minds totally blown.
But all my friends say I should just leave her alone.

Girl you're driving
but baby don't stop.
You're really soaking
my fire feel my eyes
burn red.
My body's shaking
like I've never known
there's only one thing
that I wanna know.

Are you freak like me?
Are you totally crazy?
Cause you look like you may be.
I confess that I want you
laying beside me.
Cause girl I know that
you're freak like me
cause you're driving me crazy.
You don't dress like a lady.
It's not hard to see
what lies beneath you and me.

Checking out her ass
no she don't need a hall pass
I think she knows, but she don't care.
I almost crashed my car
just staring at her.
Butterflies in my stomach are starting to hurt.

Girl you're driving me wild
but baby don't stop.
You're really soaking
my fire feel my eyes
burn red.
My body's shaking
like I've never known
there's only one thing
that I wanna know.

Are you freak like me?
Are you totally crazy?
Cause you look like you may be.

I confess that I want you
laying beside me.
Cause girl I know that
you're freak like me
cause you're driving me crazy.
You don't dress like a lady.
It's not hard to see
what lies beneath you and me.

The crazy look in your eyes.
You got me losing my mind.
Don't even try to hide
that you're freak like me.
Don't go wasting your time
on all those regular guys.
There ain't no doubt about it
you're freak like me

The crazy look in your eyes.
You got me losing my mind.
Don't even try to hide
that you're freak like me.
Don't go wasting your time
on all those regular guys.
There ain't no doubt about it.

I know I know I know

That you're freak like me.
That you're totally crazy.
Cause you look like you may be.
I confess that I want you
laying beside me.
Cause girl I know
That you're freak like me.
cause you're driving me crazy.
You don't dress like a lady.
It's not hard to see
what lies beneath you and me.
It's not hard to see
what lies beneath you and me.
