

# One Wish

## Hollywood Ending

Midnight, moonlight, California shoreline  
That's when you told me that you would always be mine  
We laid under the stars and we saw one fallin  
You asked me what I wish for, and I said

[Chorus]

If I had one wish, and I could have anything in the world  
If I had one wish, if I had one wish  
Nothing's better than being here with you girl  
If i had one wish  
I wouldn't ask for money, I don't care about fame  
I've already found my everything in you  
My wish came true  
My wish came true

I took you out to see a show on your birthday  
You look so pretty it took my breath away  
took my breath away  
And at the after party you blew out all the candles  
blew them all away  
I asked you what you wish for, and you said

[Chorus]

If I had one wish, and I could have anything in the world  
If I had one wish, if I had one wish  
Nothing's better than being here with you girl  
If i had one wish  
I wouldn't ask for money, I don't care about fame  
I've already found my everything in you  
My wish came true

We've got chemistry, we've got love  
You're the one that I, I'm thinking of  
And I could never ask for anything more

[Chorus]

If I had one wish, and I could have anything in the world  
If I had one wish, if I had one wish  
Nothing's better than being here with you girl

I wouldn't ask for money, I don't care about fame  
I've already found my everything in you  
My wish came true  
If I had one wish, if I had one wish  
and I could have anything in the world  
If I had one wish, if I had one wish  
Nothing's better than being here with you girl  
If I had one wish  
I wouldn't ask for money  
I don't care about fame  
I've already found my everything in you  
My wish came true  
My wish came true  
My wish came true  
My wish came true
