

Perfect

Hollywood Ending

You wake up every day
Putting makeup on your face
Take hours at a time
Trying to get it right
You ask me what to wear
When baby I don't care
'Cause you are perfect

Don't make no sense to me
What do I have to say to make you believe

You've got to know it's the truth
There's nothing in this world you can do
To improve what lies underneath
What's the use?
You're more than everything that you wish you could be
Girl, take it from me
You're perfect, so perfect

Whenever we go out
You get so stressed about
Whether you look as good
As all the other girls
Don't you know
You've got nothing to prove
Only got eyes for you
So it's not worth it

There's no one else for me
What do I have to say to make you believe

You've got to know it's the truth
There's nothing in this world you can do
To improve what lies underneath
What's the use?
You're more than everything that you wish you could be
Girl, take it from me
You're perfect, so perfect

Na Na Na Na Na Na
Na Na Na Na Na Na
Just let me show it all to you

You've got to know it's the truth
There's nothing in this world you can do
To improve what lies underneath
What's the use?
You're more than everything that you wish you could be
Girl, take it from me
You're perfect

You've got to know it's the truth
There's nothing in this world you can do
To improve what lies underneath
What's the use?
You're more than everything that you wish you could be
Girl, take it from me

You're perfect
