

Six pack in hands, stage dive to the pit  
Hustle the ladies, got gorilla tactics  
I'm creepin' through the show when I'm scanning for hoes  
Girls got a bag of slippers wanna do the no, no

Get back to the bus, it's the end of the night  
Get back to the bus and get out of my life  
'Cause I got people to see, hoes as freaky as me  
I roll it to the after party with my boy Charles P

Picked up a few friends, now I'm dippin with bitches  
Socked the bitch to my right, I said click it or ticket  
Girl feeling my ride, now she's getting suspicious  
This a brand new Miata as I'm hittin' them switches

I ride behind Charlie as he's poppin' a wheelie  
I finally made it to the party, now he's coppin' a feely  
See Da Kurlzz out front doing tricks on his Heely's  
Now I'm finna get down yelling somebody beer me

So chug this beer with me  
Get drink with Charlie Scene  
Sense this urgency  
'Cause I ain't tryna get drunk alone

So smoke this joint with me  
Get high off Funny's weed  
Sense this urgency  
'Cause I ain't tryna get high alone

I roll up to the party in my Honda  
Funny followed me in his Madza Miata  
Damn what a balla, top down what a primadonna  
The spinners that he bought, straight out of auto zone for 30 dollars

Money we have nadda, let's go inside I'll folla  
They didn't let us in, so we hopped a wall  
But I dropped ya, that's when I lost ya, I didn't try to call ya  
I ran into a crowd of Celebrities and Papa

Razzi and they shot a pictures of me and Dennis Harper  
Now I need a doctor, yo little Johnny  
Coke juice and vodka is turning me into a monster

One more shot and I'ma gonna  
But Charlie, I saw ya stick your dick in the salsa  
I don't want no drama  
I'd rather have my anaconda deep throated by piranhas

So take these pills with me  
Got 'em from J D O G  
Sense this urgency  
'Cause I don't wanna get high alone

So take this Ecstasy  
They must be J3T's  
Sense this urgency

'Cause I ain't trya get down alone

Hey, who's going to the rave tonight, huh?  
Hey, we'll see some girls there, it be rave poppin'  
Oh, odela fool  
Who's wants to get pussy?

So chug this beer with me  
Get drink with Charlie Scene  
Sense this urgency  
'Cause I ain't tryna get drunk alone

So smoke this joint with me

Sense this urgency  
'Cause I ain't tryna get high alone
