

# Never Say Die

Holy Mother

People going nowhere  
Taken for a ride  
Looking for the answers  
that they know inside  
Searching for a reason, looking for a ride  
Snow White's mirror said partners in crime

Don't you ever have to worry  
Don't you ever wonder why  
It's a part of me that tells you Ohh  
Don't you ever, Don't ever say Die  
Never, Never say Die again

Sunday's satisfaction, Monday's home & dry  
The truth is on the doorstep  
Welcoming the lie  
All dressed up in sorrow

Got nowhere to go  
Hold back until your ready  
Taking it slow

Don't you ever have to worry  
Don't you ever wonder why  
It's a part of me that tells you Ohh  
Don't you ever, don't ever say Die  
Never, Never, Never say Die again

Don't you ever say Die  
Don't you ever say Die  
Don't ever say Die

Panic silver linings  
Writing's on the wall  
Children get together  
You can save us all  
Future's on the corner  
Throwing us a die  
Slow down, turnaround  
Everything is fine

There is no need to have a reason  
There is no need to wonder why  
It's part of me that tells you Ohh  
Don't you ever, don't ever say Die  
Never, Never, Never say Die again
