

Indulged in suicide  
taste those tears of sadness  
Haunted by your se\*\*\*\* beliefs  
against all pleasure,leaves me suffering  
I'm in Sheer  
if I hang to long it will shake me  
I'm in Sheer  
leaves me one step closer - one step closer  
I'm in Sheer  
and it gets me off - it gets me off  
I'm in Sheer  
and it shakes me like a heart attack!

I watch you through my window  
Suddenly,we can see the death of me

Listen,would it matter if I fed my own demise  
you'd wonder if it's suicide  
Would you listen,  
would it matter if I fed my own demise,  
you'd wonder  
Cause it's one step closer to a heart attack!
