

# Making A Fool Of You

Homeshake

Girl, it's been a long time since we spoke  
Couldn't hear you over that fan  
Thinking between a few jokes  
It's getting me through the day

Normally I wouldn't say  
Lately how you're feelin that way  
Told me told tell you what to do  
She's making a fool of you

Making a fool of you  
She's making a fool of you  
Something that you gotta lose

Fuck usually it rolls right off  
Guess it's only my bad luck  
Didn't want to be so soft  
Doesn't matter anyways

Normally I wouldn't say  
Lately how you're feelin that way  
Told me told tell you what to do  
She's making a fool of you  
Making a fool of you  
She's making a fool of you  
Something that you gotta lose
