Say you want to find a real good woman
Somebody who won't break your heart
Just take a look at what's in front of you
Baby that's a real good place to start
Oh good love

Good love

Better open your eyes (oh, oh, oh, yeah)

Want a little huggin' and a little tender kissin'
Somebody who'll spend some party time
Boy, you better grab what you've been missin'
'Cause baby when it comes to mine
I know it's good love

It's so hard to find (oh, oh, oh, yeah)
Good love
Won't you give it a try (oh, oh, oh, yeah)

This heart of mine (oh, oh, oh, yeah)
Good love
Better open your eyes (oh, oh, oh, yeah)

Somebody said Cassanova get your leg over
Sowin' bad seeds with deeds

I give you what we need strong lovin'
G-E-N-T-L-Ease
Touches
With the kisses
Bed time wishes
Sex on the phone
Kissin' in the dome
98 style
Feel me if you want to
Love how you want to
Good lovin'

I want your lovin', baby
Good lovin, good lovin', good, good lovin'
