

## 60 Seconds

Hoodie Allen

Don't you keep me waiting  
Losing patience, all I'm sayin'  
I just need a minute of your attention  
Love and affection, make that connection  
I just need a minute of your time

Yeah, am I asking you for too much?  
I don't really give two fucks  
If I had enough time, I'd phone a lifeline  
To tell my Mary just to call your ass up  
I'm over bad luck, I need a good girl  
I want a real one to change my whole world  
And I'm thinking you could be that  
Baby, you the one for me, better believe that  
I don't got time to waste, don't waste my time  
If you gotta go, I'll hold your place in line  
You been with me since day one  
And like that '90s rock song, I was thinking we should stay tonight  
Let me pump the brakes, Joe Budden with it  
Girl, you pump me up, I'm yelling "Esskeetit"  
I don't really know where we headed  
You are my best friend and the best at it

Don't you keep me waiting  
Losing patience, all I'm sayin'  
I just need a minute of your attention  
Love and affection, make that connection  
I just need a minute of your time  
I just need a minute of your time  
I just need a minute of your time

Ayy, we should break the rules, baby  
Don't tell yourself that you got shit to do, baby  
Skrtrt, skrrt in a coupe, room for two, baby  
And, look, I got all the moves, baby  
Ayy, one minute, all I need is one  
Yeah, show you that, with me, it's a dub  
Yeah, I'll confront your ex 'cause he an L  
Yeah, you just need some fun, I can tell, ayy  
Girl, I had to say what's up with you, and  
TBH, I really fuck with you, and  
Promise I don't wanna waste your time  
Keep it on hundred, we got nothing to lose  
Keep it on hundred, I'm just being honest (Hey)  
One minute, that's a pinky promise (Hey)  
Kick it with me and your schedule going non-stop  
You my number one, no contest (Bop)

Don't you keep me waiting  
Losing patience, all I'm sayin'  
I just need a minute of your attention  
Love and affection, make that connection  
I just need a minute of your time  
I just need a minute of your time  
I just need a minute of your time  
I just need a minute of your time  
I just need a minute of your time

I need 60 seconds, baby, yeah  
You know you drive me crazy, yeah  
I just need to be by your side, your side  
60 seconds, baby, yeah  
I think about you daily, yeah  
I just need a minute of your time

Yeah, it's Hoodie, baby

It's a wrap  
Minute of your time, yeah
