

# So Close to Happiness

Hoodie Allen

Check it yo

I think I'll be a father one day soon, I must admit it  
I'll be the type of dad to give you hugs and lots of spinach  
I take vacations but I tell my wife I'm gone on business  
She probably thinking I screwed around with my new assistant  
One day our kids will sit us down and ask us how we met  
Well I liked her pic on Instagram one day she hit me back  
Said I was cute and shit and didn't love me for my money  
Apologize, I was a dickhead in my early twenties  
Back in the day your daddy was a rapper  
Riding 'round on tour-busses getting bitches after  
Said I needed space, could have sworn I went to NASA  
Then I met your mom it was happy ever after  
Yeah, okay those days were super crazy  
Would have done those shows for free  
But won't complain that you would pay me  
Driving around my old neighborhood in a new Mercedes  
It won't be too long 'til they ask me "what you doing lately?"

I know you think you need that  
We don't wanna believe that  
We can make it to the top  
We're so close to happiness  
So close to happiness  
Big house, don't really need that  
Real love, I'm tryna keep that  
Please don't give up what we got  
We're so close to happiness  
So close to happiness

Ayo, where the fuck did time go?  
I used it wisely, that's why I will never rhyme slow  
I'm in hotels such much that I feel like the Bible  
I see so many naked pictures on my iPhone, oh it's like a slideshow  
Oh my gosh my mind's blown  
It get me deeper than a pizza in Chicago  
Been on so many planes I can't explain my timezone  
A middle seat in Delta sorta feels like my home  
This is all that I know  
Make beats, write songs, hope that shit go viral  
Only motivation was to blow it up like pyro  
Now that I'm so close to reaching my goals  
Every step I take is like a spiral, self destructive, I know  
That's just how I feel, I'm sorry if I'm not supposed to keep it real  
I guess I'm scared if I accomplish all my dreams the only thing left  
Will be to talk about me and I don't wanna do that

I know you think you need that  
We don't wanna believe that  
We can make it to the top  
We're so close to happiness  
So close to happiness  
Big house, don't really need that  
Real love, I'm tryna keep that  
Please don't give up what we got  
We're so close to happiness

So close to happiness

And I just wanna find someone to believe in  
I'm so close

I don't wanna let you go, why you leaving?

I don't know

I tend to fuck up all the special things

So don't let it go away

I'm telling you that I'm so close to happiness

I'm so close to having it, having it

And I wanna let you know

You can be part of it

Cause I'm so close to happiness

Yeah baby like, woah-oh-oh

Yeah baby like, woah-oh-oh

And I want to let you know

You can be part of it

Cause I'm so close to happiness
