

## I Go Blind

Hootie & The Blowfish

Every time I look at you, I go blind.  
Every time I look at you, I go blind.  
In the mornin' I get up, and I try to  
Feel alive, but I can't.  
Every time I look at you, I go blind.  
I don't know what it is.  
Something in me just won't give me a chance.  
I think it's that I feel more confused  
By the deal love has shown me.  
Little child, did you know that there's a light,  
And it's gonna shine right through your eyes.  
What do you think that life is like?  
Every time I look at you, I go blind.  
I go blind  
Well some where over there there's a purpose,  
There's a care for free  
In me there's no body, no one plan,  
No one stand to be free.  
I think it's that because I have seen all the fuss  
And it's no big deal. No big deal.  
Hold me, hold me 'cause I want to get higher and higher,  
Higher than life.
