1. Time, why you punish me
Like a wave crashing into the shore
You wash away my dreams
Time, why you walk away
Like a friend with somewhere to go
You left me crying

G D Em D Em
and all the pain and sorrow, running free

And I don't believe in time

2. Time, I don't understand
Children killing in the streets
Dying for the color of a rag
Time, hey there red and blue
Wash them in the ocean make them clean
Maybe their mothers won't cry tonight

Will you teach me about tommorow
When all the pain and sorrow, running free
But tomorrow's just another day
And I don't believe in

 Like a tree growing all alone
 The wind just stripped me bare, stripped me bare
 Time, the past has come and gone
 The future's far away
 But now only lasts for one second, one second

Can you teach me about tommorow
 And all the pain and sorrow, running free
 Cause tommorow's just another day
 And I don't believe in
