

Did you ever think of me
As your best friend

Did I ever think of you
I'm not complaining

I never tried to feel
I never tried to feel this vibration
I never tried to reach
I never tried to reach your eden

Did I ever think of you
As my enemy

Did you ever think of me
I'm complaining

I never tried to feel
I never tried to feel this vibration
I never tried to reach
I never tried to reach your eden
