

L'Odeur animale

Hooverphonic

Feel the need to wonder
Inside
Fulfill your basic needs
Deep inside
We wander by the lake of tears
And smell the odor of our fear
Inside
Deep inside
All these creepy things crawling
Deep inside
Feel the urge to grow
Inside
Our world is covered with clouds
Deep inside
We wander by our ocean of tears
We try to hide our frozen fear
Inside
Deep inside
All these creepy things crawling
Deep inside
