

## Nr. 9

### Hooverphonic

Saw her first a few months ago  
Spacing in Vienna - Oversea cargo

Saw her in the mirror  
She has a stupid name  
Maybe I'm too honest  
Friendly in an arrogant way

Saturday evening she gave me her number  
I've lost it already she awakens my hunger

Saw her in the mirror  
She has a stupid name  
Maybe I'm too honest  
Friendly in an arrogant way
