

Pol's Voice

HORSE the band

It's name mocks it's silence, a worthless beast born to violence has ears and whiskers flapping as it's yellow flesh comes slapping across the rank filth of this ancient subterranean floor.

It's hate knows no bounds as it's home knows no sounds but the SLAMMING-CRUSHING-SPLATTING OF IT'S- YELLOW- FLESH. *i am the herald of light* I withdraw a shining glory, a single loving-end of story, the only weakness, a grace like wings, my bow sings

. *UNLEASHED* and in the silver light my arrows take the flight *UNLEASHED* splits pols voices head and spills it's thoughts and dreams

UNLEASHED in crimson red across this floor *UNLEASHED* a host of yellow bodies comes crashing to my feet NEAT! A Host of sLapPinG Yellow BodieS cOMEs CrASHINg iN cRImsoN Piles A
