

Find You

Hot Chelle Rae

I know you're on dark times
Doin' time in corners of your dark mind
Wishin' that I could relate
But nobody's mind is the same
I know that you're in a maze
More like amazin'
It's never a good time to say things
But we need to say things

If I gotta spend all night
Tryna find you
You've been locked up in your mind
Can I break through?
To wherever it is you hide
The real you
I'm gonna spend all night
Tryna find you

Oh-oh, oh-oh
Oh-oh, oh-oh (I'm gonna)
Oh-oh, oh-oh (find you)

Easier said than done
But it's worth it to help someone try to run
When you don't even wanna crawl
Please use my shoulder to bawl
Sayin' you don't wanna talk
Really means you wanna talk
So I'll wait here till 2 o'clock
3, 4, 5 o'clock

If I gotta spend all night
Tryna find you
You've been locked up in your mind
Can I break through?
To wherever it is you hide
The real you
I'm gonna spend all night
Tryna find you

Oh-oh, oh-oh
Oh-oh, oh-oh (I'm gonna)
Oh-oh, oh-oh (find you)
Oh-oh, oh-oh
Oh-oh, oh-oh (I'm gonna)
Oh-oh, oh-oh (find you)

If I gotta spend all night
Tryna find you
You've been locked up in your mind
Can I break through?
To wherever it is you hide
The real you
I'm gonna spend all night
I'ma find you

Oh-oh, oh-oh

Oh-oh, oh-oh (I'm gonna)
Oh-oh, oh-oh (find you)
Oh-oh, oh-oh
Oh-oh, oh-oh (I'm gonna)
Oh-oh, oh-oh (find you)
