

# Stay

Hot Chelle Rae

Days don't really get hard  
It's the nights that I can't control  
Filling holes in my heart with a high  
Off a strangers love

I don't wanna lead you on and say I feel a way that I don't  
But if you're feelin' me the way I'm needing you, then don't let me go

Won't you stay  
Keep me company  
Pretend you need me so bad  
Honestly, I just need you to stay  
And tell me, "It's OK"  
Empty beds are so sad  
Honestly, I just need you to stay

You don't have to be fake for the night  
Not to sleep alone  
Our minds work the same way  
And if you like, you don't have to go home

I don't wanna lead you on and say I feel a way that I don't  
But if you're feelin' me the way I'm needing you, then don't let me go

Won't you stay  
Keep me company  
Pretend you need me so bad  
Honestly, I just need you to stay  
And tell me, "It's OK"  
Empty beds are so sad  
Honestly, I just need you to stay

(Honestly, I just need you to stay)  
I just need you to stay, I just need you  
I just need you to stay

So, won't you stay  
Keep me company  
Pretend you need me so bad  
Honestly, I just need you to stay  
And tell me, "It's OK" (It's OK)  
Empty beds are so sad (So sad)  
Honestly, I just need you to stay

Honestly, I just need you to stay

(I just need you to stay, I just need you)  
(I just need you to stay)  
(I just need you to stay, I just need you)  
(I just need you to stay)
