

## Hello America

Hot Chocolate

Hello America  
Hello America  
Hello America  
Hello America

Loving it's you from across the ocean  
In love with you cause you take me higher  
You love your brother to every nation  
In love with you (in love with you)

Hello America  
Hello America  
Superstar

Luther, Kennedy  
Men who wanted the whole wide world to be free  
And when they die I felt the pain  
People all over the world felt the same
