

Give It Up

Hothouse Flowers

Well, I'm coming face to face with my conscience
Coming to an understanding of myself
Clear out all the old cobwebs
Clear out all the old books from the shelf
This song is inspired by a good man and his tune
Thinking good of others sing 'Amazing Grace' to you
It doesn't really matter if you're all jumbled up inside
As long as you know that love is endless and the world is wide
As long as you know
Give it up
Share it out
Help, help who you can
Talk about it
It's late in the morning, close to the time
And Mary's in the alley she never stops smiling
Always love to see her she means a lot to me
But I know she's got a hard time trying to make ends meet
Give it up
Share it out
Help who you can
Talk about it
Down Georgia Street arcade where the poor children play
Gathering up charity to help them make their day
Well me, I was once their age, once I was young
But I know, I had my family to fall back on
Give it up
Share it out, yeah
Help who you can
Talk about it
Oh, give it up
Share it out
Help who you can
Don't just talk about it
Talk about it
Help these child
Help these child
Give it up
Share it out
Help who you can
Talk about it
Give it up
Share it out
Help who you can
Talk about it
