

Bangin'

House of Lords

Here I am, bangin' on your backdoor
It's 4 AM, but I don't care
I'm gonna keep on bangin' like I did before
Until I know you're gonna let me in

Can't we stop this grand charade?
It always ends the same
Every night we play the game
But you can't fight fate

Hey, hey, here I am
Do you want a telegram?
Can't you hear me comin' 'round?
Bangin', bangin'
Hey, hey, listen up
I ain't gonna give it up
Never am I gonna stop
Bangin' bangin'

Whoo!

There you are sittin' pretty in your little dress
Just peeking out through those baby blues
Enough's enough, girl, time for you to acquiesce
Or ain't I playin' it like you want me to?

Can't we stop this damn pretend?
So we can make amends
Any fools knows you intend
For me to get you in the end

Hey, hey, here I am
Do you want a telegram?

Can't you hear me comin' 'round?
Bangin', bangin'
Hey, hey, listen up
I ain't gonna give it up
Never am I gonna stop
Bangin' bangin'

Can't we stop this grand charade?
It always ends the same
Every night we play the game
But you can't fight fate
(Can't fight fate)

Hey, hey, here I am
Do you want a telegram?
Can't you hear me comin' 'round?
Bangin', bangin'
Hey, hey, listen up
I ain't gonna give it up
Never am I gonna stop
Bangin' bangin'

Hey! Hey!

(Oh, give it up)
Never am I gonna stop
Bangin', bangin'
Hey, listen up
(Oh, don't pretend)
I'm gonna get you in the end
Bangin', bangin'

Hey! Hey!
(Oh, give it up)
Never am I gonna stop
Bangin', bangin'
Hey, listen up
(Oh, don't pretend)
I'm gonna get you in the end
Bangin', bangin'
