

Call My Name

House of Lords

Tears in the night
Silence your eyes
Yet I can see
Can you see me
Caught in between
You're in my mind
And you're haunting me

You don't have to worry
Oh, if you fall in love with me
A lifetime is what my love can be

Just call my name
And I'll be at your side
Just call my name
Baby, don't cry, cry, oh

These are the nights
I realize
Just who I am
And what I need
I've been through it all
Pain and the glory

All I really know
Oh, if you fall in love with me
A lifetime is what my love can be

Just call my name
Listen to your heart
Call my name
Wherever you are, oh
Call my name

I'll be there, if you need someone
To listen
Deep inside yourself
Every moment we're destined to be
Yeah, baby

You don't have to worry
Oh, if you fall in love with me

Call my name
Listen to your heart
Just call my name
Wherever you are, oh

Oh, baby
Oh, darlin'
Just call my name
Yeah, yeah

Owh, owh, owh
Wherever, wherever you are
Call my name
Call my name
