

## First to Cry

House of Lords

Hey baby don't try so hard to let me down easy  
Do you think im gonna fall apart the second you leave me  
Oh, you tell me that you are sorry  
So sorry that you have to go  
Oh let me tell you something  
You'll be sorrier than you know

Better take a last look baby  
At the best love you'll ever have  
Come on take a good look baby  
Go ahead and say goodbye  
It won't be me who'll be  
The first to cry  
The first to cry

What goes around comes around remember this one thing  
When he goes and puts you down you had it coming  
You better think it over  
Before you turn and walk away  
Cause you'll forget it baby  
Regret it till your dying day

Better take a last look baby  
At the best love you'll ever have  
Come on take a good look baby  
Go ahead and say goodbye  
It won't be me who'll be  
The first to cry

This show ain't over  
This ain't the final act  
Baby you'll be back  
You'll be back

(guitar solo)

Better take a last look baby  
At the best love you'll ever have  
Come on take a good look baby  
Go ahead and say goodbye

Take a good look  
You can't back boy  
I see you coming back  
Down on your knees  
Go ahead and say goodbye  
It won't be me who'll be  
The first to cry...  
Cry...  
Oh you gonna cry  
Take a good look  
Oh baby you'll be first to cry  
Cry...
