

Ghost Of Time

House of Lords

I walk into another day
I'm afraid to look you in the eyes
I paid the price for hurting you
I fail to read between the lines

If everything is falling down
And burning here away
And I can't see the light anymore

I'll be strong, now you're gone
Cause it's too late to change
I'm holding by the ghost of time

I should have listen to your words
But it's too late to turn back now
The could have been another world
But now I pay for every lie

If everything is falling down
And burning here away
And I can't see the light anymore

I'll be strong, now you're gone
Cause it's too late to change
I'm holding by the ghost of time

For every moment that remains
For every stone that take it's place
But days we have a lost in time
But you'll never leave my mind

If everything is falling down
And burning here away
And I can't see the light anymore

I'll be strong, now you're gone
Cause it's too late to change
I'm holding by the ghost of time

You'll never leave my mind
(I'll be strong, now you're gone)
You'll never leave my mind
(I'll be strong, now you're gone)
Oh, you'll never leave my mind
(I'll be strong, now you're gone)
