

# Once Twice

## House of Lords

We were never very far apart  
That's why it's hard to take  
Oh so hard  
And I never took my eyes off you  
Because I knew your ways

Oh, so I tried  
To keep an eagle eye  
But vultures swooped and I lost you  
All because you fooled me

Once, twice  
Love bites  
When I'm the fool who  
Believes in you, yeah  
Once, twice  
Love bites  
Shame on me  
I won't get fooled again

I have learned the lesson well my friends  
We all see what we want to see  
Want to see  
And if you ever meet a girl like her  
Don't lose yourself just think of me

I tried to keep you by my side  
But the more I tried  
The more you lied  
You must be proud  
You fooled me

Once, twice love bites  
When I'm the fool who Believes in you, yeah  
Once, twice love bites  
But shame on me I won't get fooled again

Once, twice love bites  
When I'm the fool who Believes in you, yeah  
Once, twice love bites  
But shame on me I won't get fooled again, and again  
Again, and again and again and again  
Again, and again and again and again  
Again, and again and again and again and again

Oh, so I tried  
To keep you by my side  
But vultures swooped and I lost you  
The more I tried  
The more you lied  
All because you fooled me

Once, twice love bites  
When I'm the fool who Believes in you, yeah  
Once, twice love bites  
But shame on me I won't get fooled

Once, twice Love bites  
When I'm the fool who believes in you, yeah  
Once, twice love bites  
But shame on me I won't get fooled again  
Again, and again and again and again  
Again, and again and again and again  
Again, and again
