

# Saved By Rock

House of Lords

Come on!

I was a young buck in my 22nd year  
I was living out the life I'd laid to waste  
When some winsome fallen angel let me hear Disraeli Gears  
I'll tell ya, ever since that day I've had Blind Faith

I never knew I was lost till I was found  
She turned me around  
She tuned me in and that night  
I saw the light when I heard the sounds

I was saved by rock  
Saved by Jimi  
Saved by rock  
Ooh, with a little bit o' Cream  
Saved by rock  
With a holy electric shock  
I was saved by rock

And I'm here to testify, to testify

She took my hand and when she led me to the bed  
She said that I should lay my weary head to rest  
She turned around and when she spun that 45  
I knew right there and then that I had heard the best

She played "If 6 Was 9", it was divine  
It sent chills up my spine  
And then she teed up T-Rex  
It grooved my sex, it blew my mind

I was saved by rock  
Saved by Jimi  
Saved by rock  
Ooh, with a little bit o' Cream  
Saved by rock  
Now I've got faith  
I've joined the flock  
I was saved by rock, yeah

I never knew I was lost till I was found  
She turned me around  
She tuned me in and that night  
I saw the light when I heard the sounds

Saved by rock  
Saved by rock

I was saved by rock  
Saved by Jimi  
Saved by rock  
Ooh, with a little bit o' Cream  
Saved by rock  
Like a holy electric shock  
I was saved by rock

Saved by rock  
Ooh, with a little bit o' Cream  
Saved by rock  
Like a holy electric shock  
I was saved by  
I was saved by rock  
Yeah, yeah, yeah, yeah, yeah
