

# The Rapture

House of Lords

Heroes, you know they don't come easy  
And the sword of Allah covers the city  
Open the sky, waiting for the rapture  
Open the sky, waiting for the rapture

There's a den of thieves inside the temple  
And they'll crucify for thirty shekels  
Open the sky, waiting for the rapture  
Open the sky, waiting for the rapture

Ah-ah-ah, ah-ah-ah  
Ah-ah-ah, ah-ah-ah...

Heroes, you know they don't come easy  
Heroes, you know they don't come easy  
Heroes, you know they don't come easy  
Heroes!

Open the sky, waiting for the rapture  
Open the sky, waiting for the rapture  
Open the sky, waiting for the rapture

Ah-ah-ah, ah-ah-ah  
Ah-ah-ah, ah-ah-ah  
Ah-ah-ah, ah-ah-ah  
Ah-ah-ah, ah-ah-ah
