

Sleepwalking

Howie D

When I'm wide awake
Saying "think straight"
You're a love I gotta lose
But even though you'll never change
You'll stay the same
I keep on waking up with you

And I don't know why
Cause I know you're gonna make me cry
And I don't know how
You do it to me every time

And I fall into your lies
I start to lose my senses
When I look into your eyes
I become defenseless
And my heart you want it
And you won't let go
I feel so paralyzed and
Like I'm sleepwalking
Like I'm sleepwalking

You won't leave me be
You're in every dream
There's nowhere I can get away
You're so bad for me
And my sanity
I need to find a way to escape

And why
Cause I know you're gonna make me cry
And I don't know how
I let you do it to me every time

And I fall into your lies
I start to lose my senses
When I look into your eyes
I become defenseless
And my heart you want it
And you won't let go
I feel so paralyzed and
Like I'm sleepwalking
Like I'm sleepwalking
Like I'm sleepwalking
Like I'm sleepwalking

And I fall into your lies
I start to lose my senses
When I look into your eyes
I become defenseless
And my heart you want it
And you won't let go
I feel so paralyzed and
Like I'm sleepwalking
Like I'm sleepwalking
Like I'm sleepwalking
Like I'm sleepwalking

And my heart you want it
And you won't let go
I feel so paralyzed and
Like I'm sleepwalking
Like I'm sleepwalking
Like I'm sleepwalking
Like I'm sleepwalking
