

# I'll Take You On

Howie Day

Make me fall down  
Make me get up  
And if I'm alright  
Make sure I'm scared to death  
Maybe I'm useless  
If I just could remember  
Make me feel nervous  
And I'll make you surrender

I'll take you on  
Yea I'll take you on  
I'll give it all away  
But you don't  
But you don't  
I'll give it all away  
But you don't feel much better

Said it yourself  
You said I'm not ready  
I'm telling myself,  
But it's not sinking in  
Maybe I'm new at this  
Or is it just your reaction?  
Be my illusion and I'll be your distraction

I'll take you on  
I'll take you on  
I'll give it all away  
But you don't  
But you don't  
I'll give it all away  
But you don't feel much better

Would I be hurt?  
It wouldn't hurt  
To see you again  
Do you see what I meant?  
And I told you before  
That I never wanted to feel like this again

Can you stop all the world now  
Sooner or later  
I lose all control now  
When the rain stops we'll end it  
Whoa, now  
Nothing to fear here  
In the baby's arms  
I'll take you on  
I'll take you on  
I'll take you on  
I'll take you on
