

# Sorry So Sorry

Howie Day

Spend your nights here  
We'll always be up late  
Keep each other on  
Chemicals can make us stay  
I meant you're outta line  
With your friends and all your jokes  
Moving out tonight  
Making phones that hot to hold

And you really didn't know  
And you really didn't know

Spend your days here  
And never give up now  
You keep the children down  
You're down for one more hour  
Imagine I would feel  
If your friends were all your dates  
I'm moving out with her  
Do you shake? you'll be ok

And if you really didn't know  
I swear I really didn't know  
So I'm sorry, so sorry

I'm sorry, oh no  
and I'm sorry, so sorry  
I'm sorry

Spend your nights here  
We'll always be up late  
Keep each other up  
Chemicals can make us stay  
I meant you're outta line  
With your friends and all your jokes  
Moving out tonight  
Making phones that hot to hold

And if you really didn't know  
I swear I really didn't know  
So I'm sorry, so sorry

I'm sorry, oh no  
And I'm sorry, so sorry  
I'm sorry
