

Sweet Fantasy

Hoyt Axton

I had a dream and I saw you standin' and you were shinin' just
like an angel
I'd like to thank you for standing by me when things were darke
r you held the candle
Do you remember when we took a dream and then turned it into to
day together
Dreamin' seems to carry me back to where I wanna be
Wrapped up in your arms and feeling better
Rivers will run mountains will rise I love you more than the st
ars in the skies
I'll never treat you wrong won't make you cry
Just sing you sweet love songs won't tell you lies
Wouldn't you like to go ridin' with me into tomorrow oh sweet f
antasy

Rivers will run mountains will rise I love you more than the st
ars in the skies
Cherish what you sweet remember running through the sands of ti
me
Cherish it with all that's in you

Rivers will run mountains will rise I love you more than the st
ars in the skies
Rivers will run eagles will fly I love you more than the stars
in the skies
Yes I love girl yes I love girl yes I love girl
