From Eden

Hozier

Babe, there's something tragic about you Something so magic about you Don't you agree? Babe, there's something lonesome about you Something so wholesome about you Get closer to me

No tired sigh, no rolling eyes, no irony No "who cares", no vacant stare, no time for me

Honey you're familiar Like my mirror years ago Idealism sits in prison Chivalry fell on his sword

Innocence died screaming
Honey, ask me, I should know
I slithered here from eden
Just to hide outside your door

Babe, there's something wretched about this Something so precious about this Oh, what a sin

To the strand, a picnic planned for you and me A rope in hand for your other man To hang from a tree

Honey you're familiar Like my mirror years ago Idealism sits in prison Chivalry fell on his sword

Innocence died screaming
Honey, ask me, I should know
I slithered here from eden
Just to hide outside your door

Honey you're familiar
Like my mirror years ago
Idealism sits in prison
Chivalry fell on his sword

Innocence died screaming
Honey, ask me, I should know
I slithered here from eden
Just to hide outside your door
